WORK EXPERIENCE

2021 **KUMUX - UX/UI DESIGNER**
BARCELONA, SPAIN

As a UX/UI designer, I worked on taking the product's main concept and turn it into a working website, from concept to wireframes, and to prototype. I worked closely with the development team with Agile methodologies, and I also created assets and illustrations.

2020-'21

TFM - UX/UI DESIGNER
BARCELONA, SPAIN

I'm currently working on building an app called MyPersona, whose purpose is to help its users to improve their emotional and mental health. I have conducted UX research, planned agile sprints, and prototype the end product. I have also conducted usability tests.
